Candlepin Bowling Instructors School

The intent of this school is to teach bowlers the basics of Candlepin bowling and to provide qualified instructors for any and all I.C.B.A. centers. Who should attend? Managers, counter personnel, proprietors, coaches, junior bowling coordinators, assistants, etc. Any adult seriously interested in helping a center with the instruction of Candlepin bowling is encouraged to attend, or anyone just wanting to learn the correct way to bowl Candlepin in a comprehensive class.

Nearly 300 students have been qualified at these I.C.B.A. events to date with expectations that hundreds more will be qualified in the coming years.

Students will receive 4-6 hours of basic instruction, (2) Certified Instructor certificates suitable for framing (1 to be posted at your house bowling center), a wallet certificate and a 4" Certified Instructors arm patch.
